

KNOX® Rapid Entry System

Cut response time,
property damage
and key liability.

With one Knox Master Key, community buildings, gated complexes and fenced properties are immediately accessible. The versatile KNOX Rapid Entry System provides:

- Immediate building entry day or night
- Access to all properties with one master key
- Time-saving response to false alarms
- Safe entry without force or injury to firefighters

HOW TO GET STARTED

1. Go to www.knoxbox.com and click the BUY NOW button
2. Enter Woodinville Fire & Rescue for the FIRE DEPARTMENT NAME
3. Click "Proceed with order. Pay after e-Approval"
4. Choose your Knox Box
 - a. Woodinville Fire & Rescue requires that your Knox Box be secure. A recessed-mounted box is best but if your situation requires a surface mount, it will need to be securely welded to the mount
5. Once your order is placed, Woodinville Fire & Rescue receives an alert to approve
6. Once received and you are ready to place the keys in your Knox-Box, contact Woodinville Fire & Rescue to secure the contents
 - a. Mounting instructions can also be found on the Knox Box website
7. Place red decal in upper right hand corner of all main entry doors
