

Woodinville Fire & Rescue

Community Services Officer/Public Information Officer

Supplemental Questions

Directions: Please answer each question completely; proofread your answers before submitting. Answers must be typed, single spaced with the total number of pages not to exceed four.

1. Why are you interested in the CSO/PIO position at Woodinville Fire & Rescue at this point in your career?
2. Tell us about your current or most recent position, scope of responsibilities and an overview of the agency or company for which you work(ed).
3. Give us some examples of your public education and/or PIO experience.
4. Describe an improvement in which you had a lead role in developing and/or implementing with your current or a previous employer. How was the change received?
5. Tell us about a recent public event in which you participated/presented.
